

galaxy-galaxy projected correlation function
(Zehavi -21, varying dark energy)

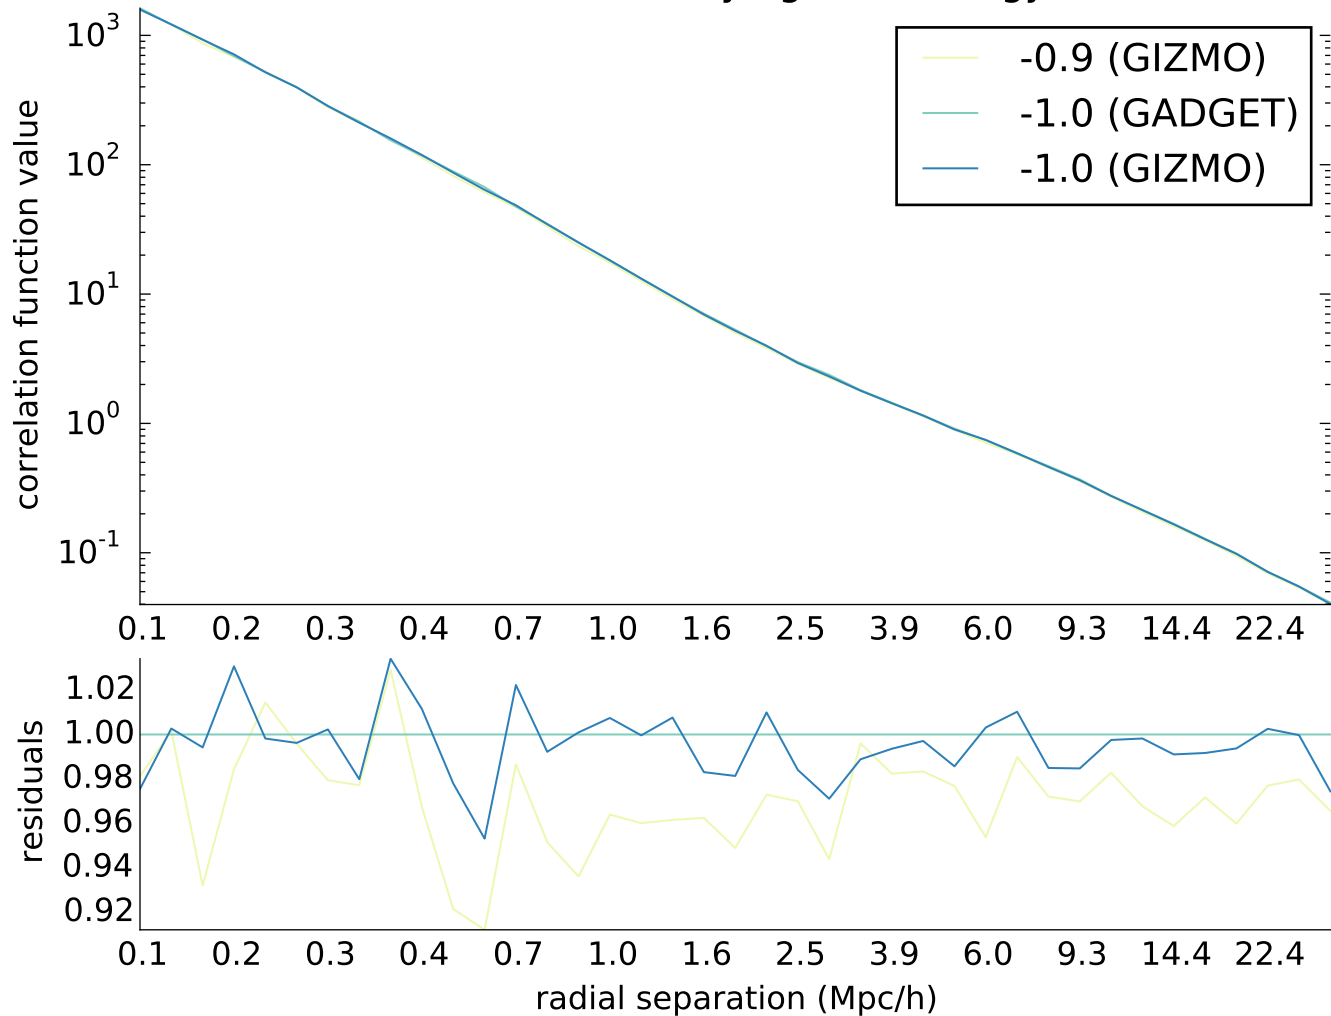

galaxy-galaxy real-space correlation function
(Zehavi -21, varying dark energy)

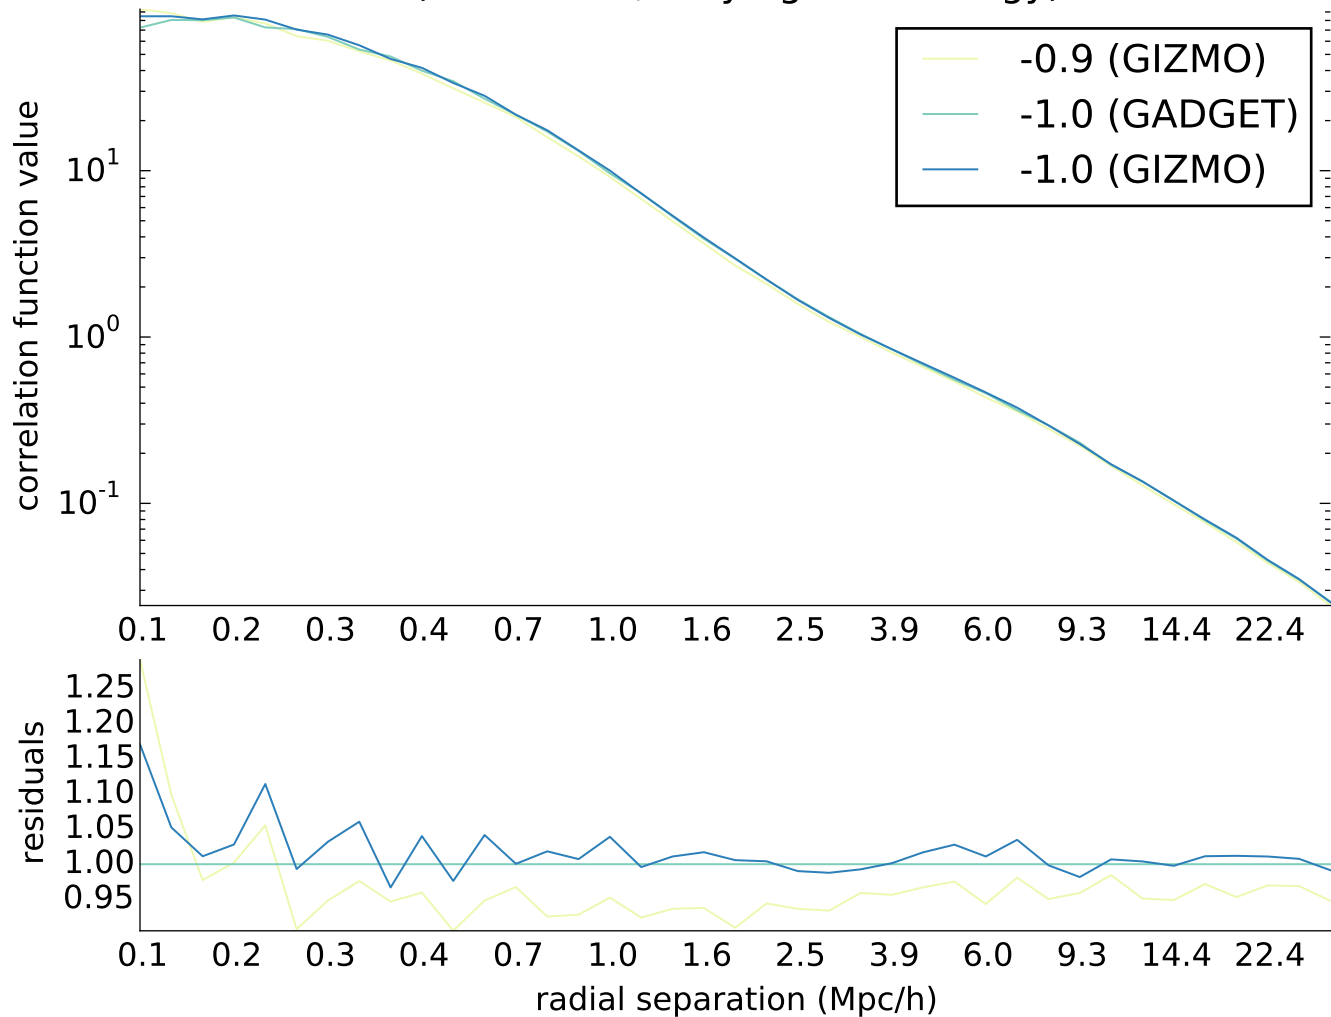

galaxy-mass projected correlation function
(Zehavi -21, varying dark energy)

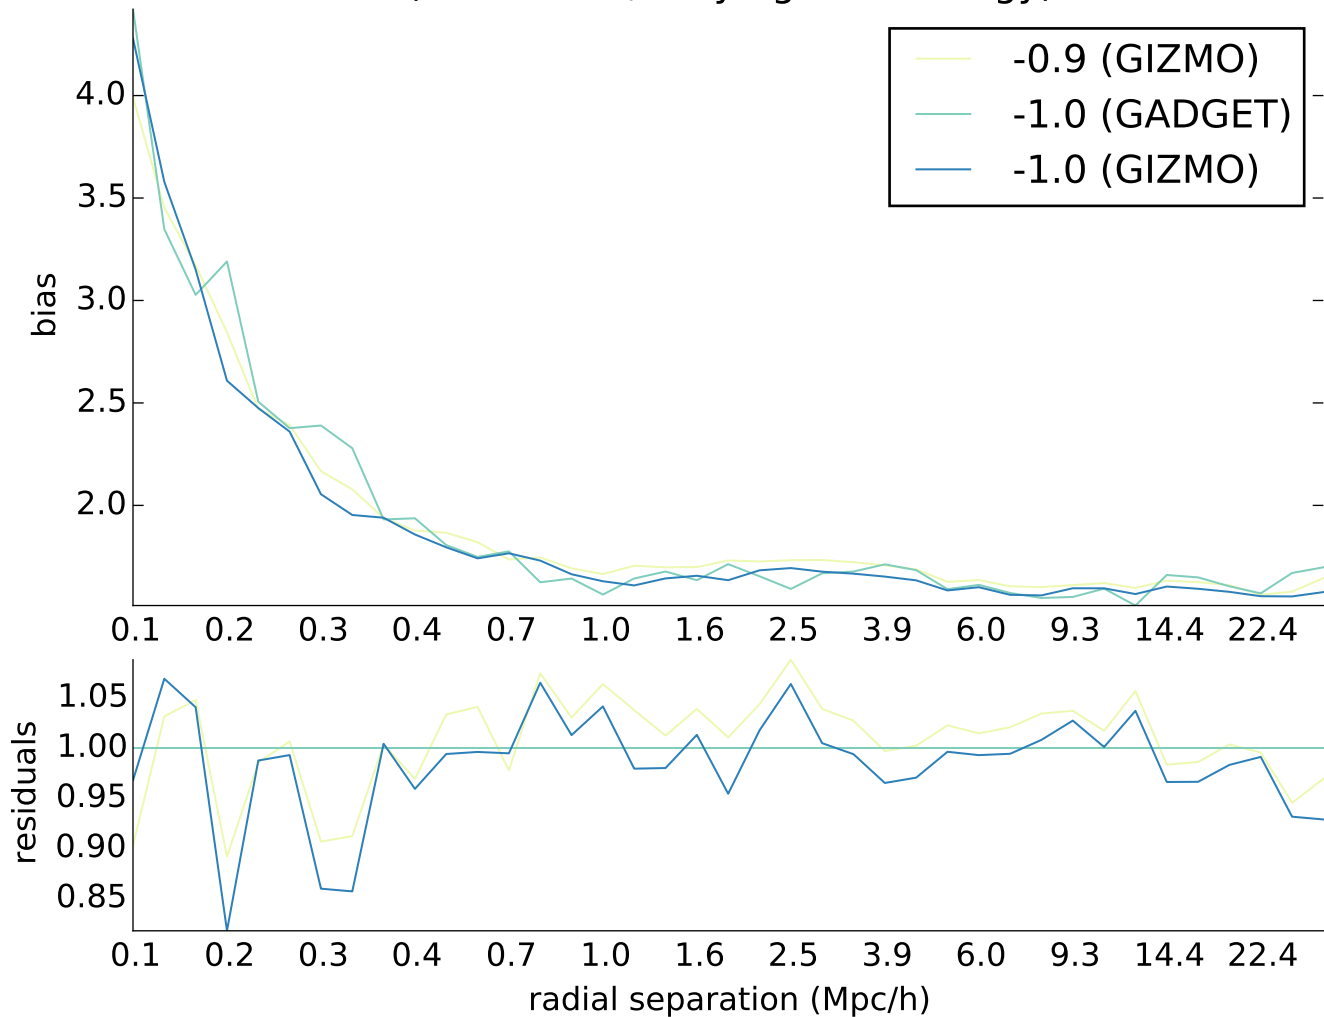

galaxy-mass real-space correlation function
(Zehavi -21, varying dark energy)

mass-mass real-space correlation function
(Zehavi -21, varying dark energy)

galaxy bias
(Zehavi -21, varying dark energy)

galaxy-mass correlation coefficient
(Zehavi -21, varying dark energy)
